

RSU 57 - Mission, Vision, & Beliefs

GOALS

System of Learning

Curriculum:
Develop and implement a rigorous, proficiency-based curriculum that is guaranteed, viable and measurable at the learning target level

Learning:
Develop a system of learning experiences that are engaging and result in achieving proficiency of the learning targets.

Instruction:
Align instructional practices to a student centered, proficiency based system within the framework of the *Art & Science of Teaching*

Assessment & Reporting:
Develop and implement a system of assessing and reporting that accurately measures and communicates the learner's progress toward proficiency.

Management of Resources

Technology:
Create a system for the researching, acquiring, maintaining and upgrading informational technology for applied learning

Financial:
Ensure the effective and efficient allocation of financial resources aligned with the proficiency based learning plan

Personnel:
Develop a personnel system, which attracts, develops, rewards and retains a staff of professional educators that provide a quality, proficiency based learning experience for all learners.

Parent and Community Engagement

Parent and Community Engagement:
Develop and implement a system of tools and protocols to keep parents and community informed about the transition to a proficiency-based system.

Continuous Improvement:

Develop & maintain a system of continuous improvement processes to assure quality & results for all learners.

RESPONSIBLE
AND CREATIVE
THINKERS FOR
SUCCESS IN
THE GLOBAL
COMMUNITY

RSU 57's Vision for Educational Success
RSU 57 is a leader on the forefront of education where all individuals
are involved in high quality learning for the future.

RSU 57's vision of Learning is:

- Each individual is a critical and innovative thinker who adapts to new ideas
- Each individual can learn at different times, in different places, in different ways, in our flexible learning environment
- Each individual has voice and choice within a comprehensive, rigorous, and relevant curriculum
- Each individual applies a solid foundation in learning to real world situations and uses a strong work ethic for success

RSU 57's vision of Respect and Responsibility is:

- Each individual shares in the accountability for his/her learning
- Each individual accepts differences of others
- Each individual contributes to a safe learning environment

RSU 57's vision of A Collaborative Environment is:

- Each individual contributes multiple resources in building a strong educational community
- Each individual is a partner in learning through continuous and open communication
- Each individual recognizes his/her role and participates in the educational community

RSU 57's vision of Technology is:

- Each individual determines the accuracy and credibility of information to make informed decisions and produce quality work
- Each individual uses technology to communicate respectfully, both locally and globally
- Each individual has access to technology in applied learning

RSU 57 creates unique educational experiences for all individuals. We value and support customized learning toward the achievement of personal success.

RSU 57 CORE BELIEFS

All students can learn.

Students learn in different ways,
in different settings, and at
different rates for different
futures.

Successful student learning is
meaningful and relevant to the
learner.

Clear learning targets and
continuous reflection are essential
to successful learning.

Students learn best in a safe
environment characterized by
positive relationships with caring,
competent individuals.
High standards of performance are
expected of all.
